## early modern magnetism image database (1500-1650)

<https://doi.org/10.48431/res/qk19-bj96/vikus/vismag>

---

*created by christoph sander*

this image database includes all known images related to the investigation or usage of magnetism, magnetic phenomena, and loadstones.

it currently includes images in printed editions, yet not multiple editions of the same work. this database is frequently updated.

a list of sources included in the current version here:

[https://ch-sander.github.io/raramagnetica/vismag\\_sources.html](https://ch-sander.github.io/raramagnetica/vismag_sources.html)

see statistics for all tags used here:

[https://ch-sander.github.io/raramagnetica/vismag\\_stats.html](https://ch-sander.github.io/raramagnetica/vismag_stats.html)

for further information, please navigate to the resource and see documentation there.
